**Koha** : Library catalog

Search Koha to find:

- Books and reports
- Audio-visual documentation (DVDs, CDs, etc.)
- Dictionaries (English, French, etc.)
- Specialized encyclopedias and dictionaries (medical, scientific, social science, etc.)

**Important:** To access the following electronic resources, an ID and password are required. For students, use the same ones you use to access the student portal. For Cegep employees, use your Novell ID and password.

**REPÈRE** : French language periodical index.

In Repère, you will find references to articles from academic and general public periodicals. Some of these references link to the full text of the article.

Note : A list of all the periodicals to which the library subscribes is available on the library portal:  
<https://www.cegepgim.ca/biblio/english-section/periodicals>

**Interlibrary Loan (ILL):** If we don't have a document you need in our collection, we can request it from another library. Please allow two weeks for delivery.

**ÉRUDIT:** Articles and academic journals in electronic format, in English and in French.

More than 90% of the articles are available in full text.

**EURÉKA** : Online newspapers and articles

Eureka offers millions of articles, in English and in French, from newspapers and other Canadian or European news sources, as well as the pdf version of selected Canadian newspapers.

### **Encyclopaedia Britannica (online)**

In Britannica, you can find encyclopedia articles, a dictionary, a thesaurus, as well as links to magazine articles and external websites.

### **Encyclopédie Universalis (online)**

Search in this French language encyclopedia for articles on subjects or people.

### **CVE : La collection de vidéos éducatives**

The educational video collection contains documentaries, TéléQuébec shows, animations, interviews and other videos, in French with a growing number of English language titles.

### **National Film Board (NFB)**

The NFB collection includes documentaries, animations, experimental films and fiction. You can view many films online at no cost; if there is a fee-based film that you need to view, don't hesitate to ask the library to purchase it.

The Curio.ca platform gives you streaming access to the best in educational content from CBC and Radio-Canada, as well as shows from the National Geographic channel, in English and in French.
