Criminal and Penal Prosecution Director Directeur des poursuites criminelles et pénales (DPCP)	Phone line providing information to sexual assault victims who are thinking about making a complaint to the police. This free and fully confidential service is for victims and for relevant aid organisation seeking to obtain information on how a complaint to the police is processed and on prosecution authorisation in cases involving sexual violence. This initiative is particularly for victims who might be reluctant to report a crime. It is important to point out that this service is not for individuals already engaged in the judicial process and who want to obtain information about their files. This innovative service is provided by a prosecutor who specialises in crimes of a sexual nature and who has broad experience in dealing with their victims and in prosecuting such cases in court.
