Finally, share your best **Curio.ca** finds or add content to your presentations using the **Share** feature.

Subscribe to our **News in Review** and **L'actualité en revue** channels, our flagship current-events series in English and French, produced by our News teams exclusively for a student audience.

It's the only resource that guides you and your students through an in-depth exploration of today's most important events as they unfold! Each story comes with a teacher resource guide that teases out key concepts and questions to help your students develop a well-trained eye and ear for what matters. You will find the guides under the Resources tab in the top ribbon of your screen.
