## Multi-factor Authenticator (MFA)

- 1. From the page https://aka.ms/mfasetup, log in to your CEGEP account.
- 2. Click on next if the following window appears:

3. Select one of the two verification methods. We recommend using the Mobile app **Microsoft Authenticator** relative to the authentication (text message). With the app, you will only have to enter a 2-digit validation code instead of 6 via text message.
